4. Amount of notice needed for disaster relief deployment.

5. Previous disaster relief experience (year, duration, location & relief agency)

6. Other qualifications or skills (counseling, dental, medical, social services, etc.)

7. Previous leadership experience.

8. Some disaster relief not only involves physical work, but also provides the opportunity to talk with disaster victims about their circumstances and to share our faith. Select one of the three.
 - I want to help primarily with physical work. I would not be comfortable in long conversations with victims.
 - I prefer the physical work, but I would also feel comfortable in discussions with victims.
 - I want to work, but am actually more gifted in the area of talking with victims about their circumstances and the comfort of our faith.

9. Available for trips:
 - Domestic International
